Subject : Submission of Final Report of College Feedback Module (Document Verification Process) as on 03/06/2022.

Reference : 1) Your office email dated 27/05/2022
2) Our College Final report of admitted students submitted by email on Cut-Off date 10/05/2022.

Respected Sir,

With reference to the above subject as per the instructions given in above referred email dated 27/05/2022 hereby submitting the Final report of College Feedback Module (Document Verification Process) as on 03/06/2022.

In this context, I would like to inform you that out of admitted 75 students, names of only 72 students were available in the College Feedback Module for document verification process and 03 students names are not available for verification.

Therefore separate list of remaining 03 students submitting herewith which are already reported by our college on the Cut off date 10/05/2022 as per above referred letter no. 2.

Therefore kindly requesting to consider total 75 students for document verification process.

Thanking you.

Subject : Submission of Proposal for Fee Fixation for the year 2022-2023 regarding.

Respected Sir,

With reference to the above subject our college is running BHMS course since from 1989. Every year we submit the proposal of our Institution for fixation of fee. But unfortunately this year, preparation of Audit reports is in process. Therefore we are unable to submit the proposal within prescribed time limit i.e. upto 31st May 2022.

In this context I would like to request that kindly provide us some more time to submit the Fee fixation proposal.

To avoid more delay in submission of proposal, we have opted "**NO UPWARD REVISION**" option for this year and keeping the same fees which is fixed for previous year but the provision for selection of option **"NO"** is not available in the FRA online portal.

Therefore requesting to grant our option of no upward revision and do the needful.

Thanking you.

6) Order of Hon'ble High Court Aurangabad in WP no. 6267/2021 dated 30/04/2021

Respected Sir,

With reference to the above subject, our college has admitted 18 students in BHMS course in academic year 2019-2020 as per the order of Hon'ble Supreme Court in Civil Appeal No.603/2020 dated 20/02/2020 where in Hon'ble Supreme Court has directed to continue theseadmissions which were made prior to cut-off date 15 Oct 2019 (Order of Hon'ble Supreme Courtdated 20/02/2020 - Annexure-1 (Page No. 4 to 19).

These 18 students were admitted on institution level who are of below percentile. Theiradmissions are made as per the Homoeopathy (Degree Course) Regulation 1983 where only HSCpass with Physics, Chemistry and Biology was the criteria for admission. These admissions aremade without insisting on NEET and PCB percentile criteria as per the Interim orders passed by theHon'ble High Court Punjab and Haryana of which validity was questioned before Hon'ble Supremecourt in SLP filed by Central Council of Homoeopathy. While going through the Judgment orderdated 20/02/2020, it is evident that Hon'ble Supreme Court has accepted the plea of studentsthat, introduction of ALL India Entrance Examination will not be covered by the section 36 (i), (j)and (k) of the Act. So also Hon'ble Supreme Court has considered the fact and for academic year2019-2020 on the strength of Interim orders passed by High Court Punjab, Haryana, Uttarakhandand Delhi, Hon'ble Apex Court directed that, student may be permitted to continue their studiesprovided that they were admitted prior to Cut-Off date 15th Oct 2019.

It is the matter of fact that, this Homoeopathy Regulation 1983 has been amended by the Central
Council of Homoeopathy in 2018 (Amended CCH-Degree Course Regulation 2018 dated 14/12/2018) directing to admit the students as per prescribed NEET percentile criteria i.e. 50% Percentile for Open and 40% Percentile for reserve Category students) and also 50% marks in Physics , Chemistry and Biology for open and 40% for Reservation Category students), Hon'ble Supreme court in our Civil Appeal no. 603/2021 directed to continue admission those who are made before cut-off date 15 Oct 2019. In this petition also amended CCH-Degree Course Regulation 2018 dated 14/12/2018 was challenged by various colleges for admission of students on HSC Pass Basis with low NEET percentile criteria.
In addition to this, our college students (including other 2 colleges) are also approached to Hon'ble Bombay High Court Bench at Aurangabad in WP no. 8128/2020 challenging amended CCH-Degree Course Regulation 2018 dated 14/12/2018, where Hon'ble Court by their order dated 17/02/2021 directed the college to submit the original documents of these students to the office of Directorate of AYUSH, Mumbai for their verification and also directed the Verification Authority to verify the proposals of these students in the light of Judgment passed by Hon'ble Supreme Court in Civil Appeal no. 603/2020 (Order dated 17/02/2021 as Annexure-2 (Page no. 20 to 21 and Copy of Writ Petition no. 8128/2020 as Annexure-3 (Page 22 to 39)
As per the Order dated 17/02/2021, the college physically approached the Directorate of AYUSH, Mumbai and submitted documents of all these 18 students for verification. (Document Submission report of college dated 2/3/2021 as Annexure-4 from Page 40 to 41)
On verification report of Directorate of AYUSH, Admission Regulating Authority has conducted online Hearing by Video Conferencing mode on 26/04/2021 and directed the college to submit

High Court Bench Aurangabad in WP no. 6267/2021 where Hon'ble High court has passed an order dated 30 April 2021 and directed the university to accept examination forms of these students in Winter-2020 examination. (Order of Hon'ble High Court Aurangabad dated 30/04/2021 as Annexure-6 from Page no. 44 to 45)
In this context I would like to bring to your kind information that our college intake capacity is 75 and in academic year 2019-2020 only 24 seats have been filled by various Government rounds and 51 seats were vacant. Therefore after considering these admissions of 18 students, our actual strength is 42 against intake of 75 students with final vacancy of 33 students in academic year 2019-2020. These 18 students are pursuing their education regularly in our college, they have been appeared for Winter-2020 University examination also.
Therefore it is our humble request to consider the above facts and protect these admissions made as per Order of Hon'ble Supreme Court in civil Appeal no. 603/2020 dated 20/02/2020 and grant approval to our 18 students for academic year 2019-2020.

Respected Sir,

With reference to the above subject, our college has admitted 18 students in BHMS course in academic year 2019-2020 as per the order of Hon'ble Supreme Court in Civil Appeal No. 603/2020 dated 20/02/2020 where in Hon'ble Supreme Court has directed to continue these admissions which were made prior to cut-off date 15 Oct 2019 (**Order of Hon'ble Supreme Court dated 20/02/2020 -Annexure-1**).

These 18 students were admitted on institution level who are of below percentile. Their admissions are made as per the Homoeopathy (Degree Course) Regulation 1983 where only HSC

pass with Physics, Chemistry and Biology was the criteria for admission. These admissions are made without insisting on NEET and PCB percentile criteria as per the Interim orders passed by the Hon'ble High Court Punjab and Haryana of which validity was questioned before Hon'ble Supreme court in SLP filed by Central Council of Homoeopathy. While going through the Judgment order dated 20/02/2020, it is evident that Hon'ble Supreme Court has accepted the plea of students that, introduction of ALL India Entrance Examination will not be covered by the section 36 (i), (j) and (k) of the Act. So also Hon'ble Supreme Court has considered the fact and for academic year 2019-2020 on the strength of Interim orders passed by High Court Punjab, Haryana, Uttarakhand and Delhi, Hon'ble Apex Court directed that, student may be permitted to continue their studies provided that they were admitted prior to Cut-Off date 15th Oct 2019.

It is the matter of fact that, this Homoeopathy Regulation 1983 has been amended by the Central Council of Homoeopathy in 2018 (Amended CCH-Degree Course Regulation 2018 dated 14/12/2018) directing to admit the students as per prescribed NEET percentile criteria i.e. 50% Percentile for Open and 40% Percentile for reserve Category students) and also 50% marks in Physics , Chemistry and Biology for open and 40% for Reservation Category students), Hon'ble Supreme court in our Civil Appeal no. 603/2021 directed to continue admission those who are made before cut-off date 15 Oct 2019. In this petition also amended CCH-Degree Course Regulation 2018 dated 14/12/2018 was challenged by various colleges for admission of students on HSC Pass Basis with low NEET percentile criteria.

In addition to this, our college students (including other 2 colleges) are also approached to Hon'ble Bombay High Court Bench at Aurangabad in WP no. 8128/2020 challenging amended CCH-Degree Course Regulation 2018 dated 14/12/2018, where Hon'ble Court by their order dated 17/02/2021 directed the college to submit the original documents of these students to the office of Directorate of AYUSH, Mumbai for their verification and also directed the Verification Authority to verify the proposals of these students in the light of Judgment passed by Hon'ble Supreme Court in Civil Appeal no. 603/2020 (**Order dated 17/02/2021 as Annexure-2**)

As per the Order dated 17/02/2021, the college physically approached the Directorate of AYUSH, Mumbai and submitted documents of all these 18 students for verification. (**Document Submission report of college dated 2/3/2021 as Annexure-3**)

On verification report of Directorate of AYUSH, Admission Regulating Authority has conducted online Hearing by Video Conferencing mode on 26/04/2021 and directed the college to submit their compliance and necessary documents to the Directorate of AYUSH, Mumbai within 8 days.

Our college has submitted all necessary documents and compliance to the Directorate of AYUSH as per above referred letter no. 3 (**Compliance submitted by the College dated 01/05/2021 as Annexure-4**).

Considering the examination schedule of Winter-2020 examination prescribed by the University, these 18 students of our college along with other 2 colleges were again approached to Hon'ble High Court Bench Aurangabad in WP no. 6267/2021 where Hon'ble High court has passed an order dated 30 April 2021 and directed the university to accept examination forms of these students in Winter-2020 examination. (**Order of Hon'ble High Court Aurangabad dated 30/04/2021 as Annexure-5**)

In this context I would like to bring to your kind information that our college intake capacity is 75 and in academic year 2019-2020 only 24 seats have been filled by various Government rounds and 51 seats were vacant. Therefore after considering these admissions of 18 students, our actual strength is 42 against intake of 75 students with final vacancy of 33 students in academic year 2019-2020. These 18 students are pursuing their education regularly in our college, they have been appeared for Winter-2020 University examination also.

Therefore it is our humble request to consider the above facts and protect these admissions made as per Order of Hon'ble Supreme Court in civil Appeal no. 603/2020 dated 20/02/2020 and grant approval to our 18 students for academic year 2019-2020.

Kindly accept and do the needful.

Thanking you.

Yours Faithfully,

ESTIMATE OF FEES WITH JUSTIFICATION FOR 2020-21

KisanDnyanoday Mandal Gudhe Tal.Bhadgaon Dist. Jalgaon is a recognized Trust running various educational Institutions since from 1989.

The KDMG's Homoeopathic Medical College & Hospital, Shirpur Dist. Dhule is a well-established Institution conducting BHMS course since from 1989. This Institution is recognized by Government of India (AYUSH), Government of Maharashtra, Central Council of Homeopathy , New Delhi and affiliated to Maharashtra University of Health Sciences, Nashik.

Since from its emergence the Trust has provided all types of educational, infrastructural facilities with all types of amenities as per norms of council and Government of Maharashtra.

The Institution has fulfilled Student:Teacher ratio as per Council norms and salary given to the staff is also as per norms .

This is to bring to your kind information that Government of India (AYUSH) has not permitted our Institution for admissions of the students in previous year 2016-2017. Due to which the Institute and Trust suffered from remarkable economical loss and all types of expenditures are incurred by the Trust inspite of no students admissionfor the this 2016-2017 academic year. **Considering this fact, our sanctioned intake is less by 75 students i.e. Total Sanctioned intake 337.5-75 students not sanctioned for 2016-17 = 262.5 which is our sanctioned and controlled strength for estimation of fee of our Institution for the academic year 2020-21.**

President	Managing Director	Principal
Mrs. Kalpanabai Uttamrao Mahajan	**Dr. Manoj U. Mahajan** (BHMS)	**Dr. P. B. Limbekar** M.D.(Hom.)

Hon'ble Shikshan Shulka Samiti has determined fees for our institution for 2017-2018 which is Rs. 69000/- per student and no upward revision for the previous two years -2018-2019 and 2019-2020.

Now for academic year 2020-21, audited financial statements of the Institution and Computation sheet duly certified by the Chartered account reflects that the expenditure incurred per student for the year 2018-2019 is around Rs. 120000/- .

Therefore we are requesting to consider our proposed fee around 120000/- for the year 2020-21 which will be justifiable for our Institution.

To,
Hon'ble Chairman,
Admission Regulating Authority

With reference to the above subject the student Veer Aishwarya has submitted DD of Rs. 45000/- bearing No. 241711 against Tution fee of our college at the time of reporting for admission to BHMS course in our college.

Our College account is in State Bank of India Shirpur but the above student has submitted the DD which is payable at Dhule. Therefore it will not be cleared in our Shirpur branch and hence we have returned it back to the student.

Kindly requesting for cancellation of her DD in your branch from which she has prepared it.

Kindly do the needful.

Thanking you.

Yours Faithfully,

Respected Madam,

With reference to the above subject State CET Cell Mumbai has allotted our college to the student Dalvi Vijay Uddhav for admission to BHMS course in Round-2.

The above student has submitted his original documents to your Institution for nursing course but for his reporting to our Institution he needs original documents before 18/09/2019.

Kindly do the needful.

Thanking you

Sub :- Regarding 15% All India quota in Homeopathic coursesof the level of UG and PG.

Respected Sir,

We the KDMG's Homeopathic College, Shirpur Dist. Dhule of Maharashtra are engaged in pattern of self-financing in the discipline of homeopathic colleges with respect to UG / PG Courses.

According to the letter of AYUSH with reference to letter dates on 12th April 2019 bearing no 16011/04/2018-EP(IM-1) has conveyed that there will be an All India 15% quota of the total intake of concern colleges and such quota will be granted by Government of India through its Ministry of Ayush.

In the above light we would like to bring into your notice that, we are not against the decision of Carving of 15% All India quota. If such seats are not filled by Ministry of Ayush then all the college will have to face a huge loss due to vacancy of seats.

Hence, we request you kindly allow us to fill All India quota seats if such seats are not filled by Ministry of Ayush before 15 days of expiry of Cut-off date for admissions.

Thanking you in anticipation.

Yours truly

Categorization of students: Students are categorized under three levels on the basis of marks obtained in previous year of their professional course. The course comprises of four batches i.e. First , Second, Third and Fourth professional course. Each professional course comprises different subjects. E.g. First Professional Course comprises 05 subject. Each batch is categorized under 2 levels as under :

1. Advanced Learners: Above 50% Marks

2. Slow Learners: Failure and ATKT students & Below 50% Marks

The subject wise lists of advanced, slow learners are maintained in the concerned department. The attendance of the students of TL programme are maintained by the concerned teacher.

Monitoring: The HOD/Subject teacher should monitor the programme

Duration: The programme to be conducted weekly on every Monday. The Schedule is displayed on the notice board of the Institution and of concerned department.

Conclusion : Effectiveness of the programme is assessed by the improvements of students based on frequent examinations like tutorial, unit test and annual examination result of these students. Reports of students progressed from slow to advanced or vice versa are maintained in concerned department.

NAME OF PROGRAMME : ASSESSMENT OF LEARNING LEVELS OF STUDENTS

POLICY : To assess the learning level of students

Aim and Objective :

1 .To uplift the knowledge of students in concerned subject with focus on difficult area.

2. To assess the learning level of students.

3. To assess the progress of students from Slow to Medium to advanced learners.

Methodology :

Categorization of students: Students are categorized under three levels on the basis of marks obtained in previous year of their professional course. The course comprises of four batches i.e. First , Second, Third and Fourth professional course. Each professional course comprises different subjects. E.g. First Professional Course comprises 05 subject. Each batch is categorized under 3 levels as under :

1. Advanced Learners: Having marks range : >80%

2. Medium Learners: Having marks range between 60% to 70%

3. Slow Learners: Having marks range < 60%

The subject wise lists of advanced, medium and slow learners are maintained in the concerned department. The attendance of the students of TL programme are maintained by the concerned teacher.

12.02.2018.

Respected Sir,

With reference to the above subject as per above referred letter we have received the final report of admitted students from DMER office wherein following students are as non- eligible. Hereby submitting the compliance for your kind consideration and approval of these admissions for the academic year 2017-2018.

- **Patil Vishal Sanjay :Caste Validity and Birth Certificate**

This student is admitted in our college through Government CAP round. This student has produced Token of proposal submitted for Caste validity.

Date of birth on birth certificate is wrong therefore this student has submitted the proposal to the concerned office for correction of birth date on it and which is in process.

We will submit these documents immediately after the submission of these documents by this student.

- **03 Students Domecile out of Maharashtra :**

1. Patel Halima – Domecile Out of Maharashtra
2. Patel Majida– Domecile Out of Maharashtra
3. Kanojiya Sudhir – Domecile Out of Maharashtra

After completion of all rounds the institution has admitted these 03 students in 15% against NRI (Management Quota).

In this context I would like to bring to your kind notice that only 07 students are allotted to our Institution in Government CAP round in 85% quota and then after only 09 students are filled in 03 Institutional rounds conducted by DMER CET cell. After filling all these seats , still 42 seats are remained vacant.

Therefore the Institution has filled these 03 seats in 15% NRI quota. Kindly requesting to consider and approve these 03 students which are of domicile from out of Maharashtra.

- **06 Students admitted in SPOT Round :**

The Institution has admitted 06 students in Spot Round out of which following 02 students has cancelled their admission :

Introduction :

In the educational Institution like Homoeopathic Medical College, Creativity and innovation plays an important role in teaching and learning which includes maintenance of quality education, motivation and establishment of discipline in the teaching-learning stream.

BHMS is the professional course in which the students admitted needs something practical, relevant knowledge and useful for their professional life. Creativity and innovation process uplift their interest and motivate the learners to achieve perfection in acquiring knowledge and skill in their theory and practical study life.

Aims and Objective :

1. To verify whether teaching innovation has a significant and positive effect on learners in medical stream.
2. To verify impact of meditating learners to bring significant effect and perfection in their studies.
3. The result of this study and analysis to motivate teachers in their T-L process.

The following are some innovative ideas to bring creativity amongst students to provide more experimental knowledge and to expertise undergraduate students at clinical venues.

1. Stimulation of the students to meet inadequacy in clinical training

2. Clinical exposure to the students with arrangement of various camps to bring clinical interest.

Policy to evaluate the attainment of PO, PSO and CO

AIM :

1. Student performance in obtaining the knowledge at the time of admission To the course – Data collection
2. Summerise the students in Slow learner and Normal learner group
3. Implementation of policy during the course to attain final result i.e. thepolicy to convert SL to NL.

Objective :

1. Data collection and preparation to form the SL and NL gropus of students.
2. To creat an academic healthy environment in the Institution
3. To improve effective and efficient education in the Institution

Achievements :

1. To make professional Medical practioner
2. To increase percentage of pass students
3. To attract quality and skillful students

Methodology :

The groups of SL and NL students are prepared and SL students are isolated. Moreover the students belongs to Scheduled tribes from the Adivasi – Tribal zone of north Maharashtra in Nandurbar district are selected for this policy and experiment. They have been admitted to the BHMS course by motivating them to have professional course to uplift their Medical Graduate level educational status.

Initially these students not attaining and not responding the teaching process because of slow learning practices they have adopted.

Context:

Prerequisites:

1. Strategic planning to implement the policy

2. To make available good infrastructure and advance instrumentation and teaching learning aids

Strategic Planning :

1. Faculty appointment

2. Setting up of Admission process

3. Student grant

4. Financial support

5. Development of MOU with Superspeciality hospitals

6. Setting up of Instrumentation facility

7. Creation of IT and information resources

8. Administrative reforms and policy

: Description of Practices :

Setting up of Admission process :

The very first and essential step in undertaking the practices is to alter admission process currently in situation.

The admission process must be centralized and as per merit basis through an common entrance test. This will provide justice to the meritorious students. The students at the time of admission must have to categorize under 3 levels like High, Medium and low

status and accordingly they have to select the educational stream so that they can face the challenges especially while taking admission in professional courses.

Faculty appointment: excellent faculty appointment procedure to be adapted to appointment experienced skillful faculty to uplift the academic standard in the Institution.

The recruitment of Guest faculty who are having specialization of concerned field.

On administrative ground in specific organizational set up the faculty as per their experience and qualification should be selected as HOD and they should be encouraged to participate in administrative structure of the Institution.

Various amenities be provided to the faculty to increase their academic interest.

Faculty has provided sound exposure regarding seminar, orientation programmes etc. to share their ideas and knowledge.

Student Grantand Financial support :

To motivate the students of the Institution providing grants and scholarship to uplift their skills in learning process.

With proper evaluation, special awards and gifts to the meritorious students who are successful in their studies are to be arranged to encourage them.

Provision to be made to provide various Govt/Non Govt scholarships to the admitted meritorious and economically backward students.

Development of MOU with Superspeciality hospitals :

As the BHMS course is the professional course, students after going through proper clinical training only be succeed in their clinical practice life. As the medical practice is

treatment with the life of patient so students must be well trained to achieve proper clinical knowledge about various illnesses in the society.

The student must be exposed to various clinical field providing them facility of Superspecility hospital in the vicinity of the college campus or with preparing MOU with Suprspeciality hospital for clinical training of students.

Setting up of Instrumentation facility :

The institution be provided with advance instrumental facilities to uplift their skills in practical clinical knowledge.

Creation of IT and information resources :

The information resources and IT resources to be made available in the college campus. There should be digitalization of the library, internet and Wi-fi campus facility to the students. E-learning , mobile learning practices are increased to motivate the students in IT information resources.

Administrative reforms and policy :

The practices are applied to reform the policy of administration. This is to alter the current inadequate policies with able personnel.

The administrative reforms are to create positive healthy academic environment in the educational campus.

This is achieved by appointing the skillful directors, HOD's and faculties to provide quality education.

These 18 students were admitted on institution level who are of below percentile. Their admissions are made as per the Homoeopathy (Degree Course) Regulation 1983 where only HSC pass with Physics, Chemistry and Biology was the criteria for admission. These admissions are made without insisting on NEET and PCB percentile criteria as per the Interim orders passed by the Hon'ble High Court Punjab and Haryana of which validity was questioned before Hon'ble Supreme court in SLP filed by Central Council of Homoeopathy. While going through the Judgment order dated 20/02/2020, it is evident that Hon'ble Supreme Court has accepted the plea of students that, introduction of ALL India Entrance Examination will not be covered by the section 36 (i), (j) and (k) of the Act. So also Hon'ble Supreme Court has considered the fact and for academic year 2019-2020 on the strength of Interim orders passed by High Court Punjab, Haryana, Uttarakhand and Delhi, Hon'ble Apex Court directed that, student may be permitted to continue their studies provided that they were admitted prior to Cut-Off date 15th Oct 2019.

It is the matter of fact that, this Homoeopathy Regulation 1983 has been amended by the Central Council of Homoeopathy in 2018 (Amended CCH-Degree Course Regulation 2018 dated 14/12/2018) directing to admit the students as per prescribed NEET percentile criteria i.e. 50% Percentile for Open and 40% Percentile for reserve Category students) and also 50% marks in Physics , Chemistry and Biology for open and 40% for Reservation Category students), Hon'ble Supreme court in our Civil Appeal no. 603/2021 directed to continue admission those who are made before cut-off date 15 Oct 2019. In this petition also amended CCH-Degree Course Regulation 2018 dated 14/12/2018 was challenged by various colleges for admission of students on HSC Pass Basis with low NEET percentile criteria.

In addition to this, our college students (including other 2 colleges) are also approached to Hon'ble Bombay High Court Bench at Aurangabad in WP no. 8128/2020 challenging amended CCH-Degree Course Regulation 2018 dated 14/12/2018, where Hon'ble Court by their order dated 17/02/2021 directed the college to submit the original documents of these students to the office of Directorate of AYUSH, Mumbai for their verification and also directed the Verification Authority to verify the proposals of these students in the light of Judgment passed by Hon'ble Supreme Court in Civil Appeal no. 603/2020 (**Order dated 17/02/2021 as Annexure-2**)

As per the Order dated 17/02/2021, the college physically approached the Directorate of AYUSH, Mumbai and submitted documents of all these 18 students for verification. (**Document Submission report of college dated 2/3/2021 as Annexure-3**)

On verification report of Directorate of AYUSH, Admission Regulating Authority has conducted online Hearing by Video Conferencing mode on 26/04/2021 and directed the college to submit their compliance and necessary documents to the Directorate of AYUSH, Mumbai within 8 days.

Our college has submitted all necessary documents and compliance to the Directorate of AYUSH as per above referred letter no. 3 (**Compliance submitted by the College dated 01/05/2021 as Annexure-4**).

Considering the examination schedule of Winter-2020 examination prescribed by the University, these 18 students of our college along with other 2 colleges were again approached to Hon'ble High Court Bench Aurangabad in WP no. 6267/2021 where Hon'ble High court has passed an order dated 30 April 2021 and directed the university to accept examination forms of these students in Winter-2020 examination. (**Order of Hon'ble High Court Aurangabad dated 30/04/2021 as Annexure-5**)

In this context I would like to bring to your kind information that our college intake capacity is 75 and in academic year 2019-2020 only 24 seats have been filled by various Government rounds and 51 seats were vacant. Therefore after considering these admissions of 18 students, our actual strength is 42 against intake of 75 students with final vacancy of 33 students in academic year 2019-2020. These 18 students are pursuing their education regularly in our college, they have been appeared for Winter-2020 University examination also.

Therefore it is our humble request to consider the above facts and protect these admissions made as per Order of Hon'ble Supreme Court in civil Appeal no. 603/2020 dated 20/02/2020 and grant approval to our 18 students for academic year 2019-2020.

Kindly accept and do the needful.

Thanking you.

Yours Faithfully,

KISAN DNYNODAY MANDAL GUDHE'S
